Holistic Rubric Template

You can provide your own descriptions for each level of the rubric below. You can also change the labels for each “level” and/or the corresponding value associated with each (e.g., could have letter grades if that is your preference, incompetent response could be 0). You can also choose to have more or fewer levels.

6. A superior response…

5. A strong response…

4. A competent response…

3. A weak response…
