Practice Teaching Session: Peer Feedback Form

1. Please describe the strengths of the lesson (e.g., clarity and organization of presentation, choice and implementation of activities, use of questions, level of engagement, ability to answer questions, etc.):

2. What did the instructor do to engage the range of students (with different backgrounds in the field, familiarity with the material, social identities, etc.) in the lesson?

3. Do you have suggestions for improving the quality of the lesson (e.g., design and/or delivery)?

4. Feedback on communication skills:

   Please indicate your response to the following items by marking an (X) on each scale.

	Disagree ⟷ **Agree**
Clarity: Overall, the instructor was easy to understand (e.g., pronunciation, pace, volume).	
Vocabulary: The instructor used vocabulary that was clear and easy to understand (e.g., contextually appropriate word choice).	
Listening: The instructor understood students' questions and answered appropriately.	

   Please explain your responses here:
