- Describe your research. What are you currently working on? What is your five year plan?
- What are your plans for publishing?
- How do you plan to support your research?
- How will you seek funding to support your research?
- In what journals do you plan to submit your research?
- What is your teaching philosophy?
- Describe how you'd teach an introductory survey course in your discipline (or an advanced seminar)?
- What courses would you like to teach?
- What course, not currently in our catalogue, would you like to develop?
- How does your research inform your teaching?
- What are your plans for integrating students into your research?
- Why do you want to work here?
- What textbook would you use in a particular course?
- What classes have you taught?
- How do you structure your courses?
