

THE STUDENT ENGAGEMENT TRANSCRIPT

formally documents students' participation in experiential learning. As a companion to the academic transcript, the SET is an official university endorsement of students' leadership roles, community service hours, international study trips, internships and much more.

AT ROBERT MORRIS UNIVERSITY,

learning takes place in and out of the classroom. When students engage in learning activities outside of the classroom they are captured on the student engagement transcript (SET).

Moon Township, PA

Student Engagement Transcript

Smith, Joanne Q
